HILLY MESNIK

SARRA MOSSOFF
Correspondence Editor

Write to: BARBIE Comics, 387 Park Avenue South, New York, NY 10016

Hey, kids — Since we print your name, age, city and state, please include them on your letters.

Dear BARBIE,

I love your comics. Every night I read a comic. My mom likes them because they are fun to read and educational.

I think Barbie is really pretty. I've been collecting comics since I was 3 years old. I can't wait to get the next issue of BARBIE comics!

Kristina Smith, age 9
Gales Ferry, CT

We can promise you a new, exciting Barbie adventure every month, Kristina! And, it will probably teach you something you didn't know before!

Dear BARBIE,

I'm your biggest fan! I love your comics! I'm 7 years old and I'm in the second grade. I have two BARBIE comics, and lots of Barbie dolls.

Were you scared when you said yes to jumping out of an airplane in the story, "Jump for Joy"?

Ashley J. Barker, age 7
Winterville, NC

Jumping out of an airplane would scare just about anyone, Ashley — including Barbie! But challenging yourself can be fun, and pushing forward even when you're scared shows courage!

Dear BARBIE,

I love your comic book. But I don't understand how you pick the designs that are featured on the fashion page every month. I'm a wildly creative, and very different, modern fashion designer and my fashions never get into the comic. I'm sure other readers who design fashions that are modern and different would like to see their fashions in the comic, too.

Carla Dione Murchison, age 12
Hammett County, NC

We really enjoy the fashions that the BARBIE readers send to us each month, but there is just no possible way to feature them all! We receive *hundreds* of fashion designs every month, and as you can see, there's only room to print a very few.

We do try to pick interesting fashions with a diverse sense of style, Carla. And we hope you understand why you haven't seen your fashion in BARBIE! We look at every one, so please continue sending us your fabulous designs!

Dear BARBIE,

I have nineteen BARBIE comics. I like the comic books because they show friendship. They also show some solutions to normal problems.

I wish I could see Barbie. Does Barbie like cats? I have a kitten named Cougar.

Well, bye!

Amanda Wood, age 9 1/2

Rochester, MN

Forest Park, IL

Thanks for writing to us, Amanda, and letting us know just what you like about BARBIE comics! You can see Barbie every month — right in these pages! Barbie likes all animals, including cats. We bet your kitten is really cute!

Dear BARBIE,

I love BARBIE comics! I have quite a few Barbie dolls, and hope to get more for Christmas.

Let me tell you just how I got BARBIE comics. We sell magazine subscriptions every year at school, and my grandmother subscribed to BARBIE comics for me as a surprise! Don't you think that was nice, Barbie?

Your clothes and hair are fantastic! Where do you buy your clothes? Also, how do you keep in shape?

Elizabeth Pratt, age 8
Fort Worth, TX

That was very nice of your grandmother, Elizabeth! You're lucky to have a grandmother like that.

As for Barbie's hair and clothes, all the credit has to go to our terrific artists! They draw BARBIE comics every month and Barbie always looks great! Because Barbie is a doll, and not a real person (even though she can seem very real sometimes), she can be drawn very slim and stylish. It's important to remember that real people come in all shapes and sizes — and that makes our world a more interesting place!

Dear BARBIE,

I like to read your comics. My father reads *Barman* comics. I also like to draw clothes. When I grow up, I hope to be a fashion designer.

Ashley Parrotte, age 8
Plattsburgh, NY

Wow, Ashley! It's great that you and your dad can share a hobby. Sounds like BARBIE is the perfect comic for you!

Dear BARBIE,

Hi! My name is Anya Horine, and I am 12-years-old. I really like your comic books and I think that they are a good influence on young kids, unlike other comic books and T.V. shows.

Thanks for making such a great comic book!

Anya Horine, age 12
Fairbanks, AK

You're very welcome, Anya! It's easy when we have wonderful fans like you!

Dear BARBIE,

I am a very big fan of yours! I am 10 1/2-years-old. Some people say I am too old for Barbies, but I still like them. I have lots of Barbies, and BARBIE comics!

Kelly Laesch, age 10 1/2

Hey, Kelly! You're never too old to love Barbie! Just check out the next letter!

Dear BARBIE,

I've been collecting Barbies since I was little, and when my husband told me there were BARBIE comics out there, I had him buy me some. They're great! I wish they had been around when I was growing up. When we have children, I'll definitely encourage them to read BARBIE. They can learn a few things, have positive values reinforced, and enjoy the cool stories, too!

I enjoy the stories that feature Skipper the most. It would be great if you gave Skipper her own special, or even her own series! You could call it SKIPPER RULES! Well, like, I think it's a killer idea anyway.

K.C. Schadel, age 24
Cincinnati, OH

Thanks for writing, K.C. We love hearing from fans who loved Barbie as a kid and still do today! She really has that staying power, especially because people like you will pass their love for Barbie on to the next generation!
